Session 8

Session 8

Self Sustenance

Session Objectives:

- **Check-in on Habit Formation:**
  - Reflect on how consistently and mindfully the habit is being practiced, recognize small wins, and identify what helped or hindered progress.

- **Reinforce Motivation & Self-Monitoring:**
  - Celebrate progress, reconnect with the personal "why," and encourage simple self-tracking and planning for the week ahead.

Session Beginning

- Start the session by greeting the client and the breathing exercise.
- Briefly re-cap the previous session.
- Set the goal/context/agenda for the session.
- Explain apt theory if you consider it helpful.
- Always have the client share their screen to show the activity they've completed – this will actively engage them in the session – rather than playing a passive role.

Review Pros & Cons, Strengths Utilization and Progress Review

- Spend the first few mins of the the session reviewing the clients' pros and cons. Especially, how they are managing their cons utilizing their strengths.
- Discuss how the client is putting the plan into action and identify the progress made so far.

Questions for the session

Questions & Probes

Question 1. Looking back at your journey so far, what progress have you noticed?

Question 2. What has been the most valuable insight for you during our sessions?

Question 3. How have you been implementing the action plan we discussed?

Question 4. What challenges have you faced in maintaining new habits?

- Probe: What usually makes you want to give up or skip a day?
- Probe: Are there any distractions/situations when it feels harder to keep going?

Questions & Probes

Question 5. What has helped you in sticking to the plan and the new habits?

- Probe: Was there a time you felt really proud of keeping up a habit? What helped?
- Probe: Do routines, reminders, or rewards work best for you? Does it help to talk and share with friends and family?

Question 6. Do you have strategies to keep up the motivation?

- Probe: What keeps you excited/focused when things get boring/tough?
- Probe: Do you track your progress in any way?

Questions & Probes

Question 7. How can you celebrate small wins to keep yourself motivated?

Question 8. What resources do you need to reach your goal?

- Probe: Is there any tool or information that could make this easier?
- Probe: Who could you talk to – who's already done something similar?

Question 9. What do you think about meeting again for personal development even after our coaching journey ends?

Question 10. What do you see happening in your life in the next 6 months?

Question 11. Is there anything you'd like to ask or discuss?

Questions & Probes

Question 12. What are your key takeaways from this session?

- Probe: Was there anything that we discussed today that made you feel understood or helped you think differently?
- Probe: Did any question or topic today lead you to realize something new?

At the end, explain the post-coaching journey assessments to be completed.
Inform the client that you can schedule a check-in session
(2 weeks later, if needed).

Post Coaching Journey Assessments

Activities

1. Career Maturity
2. Post Assessment
3. Strengths & Difficulties Assessment

Session Checklist

Before Session	During Session	Post Session	Other Remarks
➢ Follow up to check-in journal writing habit	➢ Guided meditation + recap ➢ Check-in habit formation + strengths utilization ➢ Discuss self-sustenance strategies and long term planning ➢ Final reflection & Summary ➢ Plan check-in session, if needed	➢ Share session summary and any relevant resources discussed	➢ Identify if the exhibits/shares issues that indicate a need for therapy

Next Steps...

- Note down any questions and queries you may have for the C3 Lab.
- Watch the session-8 recording of a real time client.
- Keep the questions for session open while watching the session recording to understand how the questions strategically guide the session.
- Plan/prepare for facilitating sessions for a friend/family member.
